Extensive content delivered by a knowledgeable and motivational course leader which I now use in both my work and personal life. I very much enjoyed this great opportunity to learn, share and develop with my clan in a supportive environment.

Angela Stapleton, Talent Management Professional, UK Civil Service

"I just wanted to thank you for the opportunity afforded to me last week on your excellent Coaching course. The whole experience was marvellous... your innate ability to relax the cohort and put us at ease was much appreciated from the get-go...under your professional facilitation we gelled within the first hour which made optimal use of the next three days. I wish to proceed beyond level one assessment and embrace your training into my professional mentoring here in Saudi Aramco."

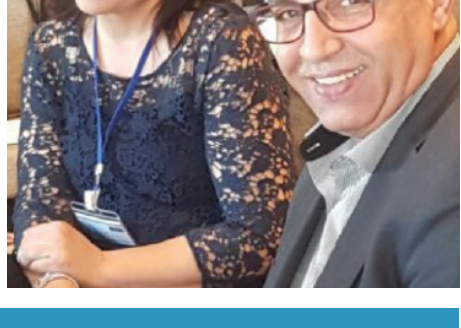

Dr. Laurence Hedley-Brown, Ed.D; BA(HONS); TEFL; Cert.Ed; PGCE(FE); MA., MSU Academic Program Chair, CA Professional Development Advisor, Saudi Aramco Oil
