Why This Course? Why Now?

Part Two of this triple accredited Diploma in SUPERvision enables you to take deep dives into different models, tools, techniques, modalities and approaches to SUPERvision to SUPERvise Coaches and, well, any profession!

- SUPERvision deepens your relational awareness, enables you to unpack process, expands your practice offerings, improves your systems lens & enhances your professional & personal development
- Coaching SUPERvision is required by the European Mentoring & Coaching Council (EMCC), Association for Coaching (AC) & for International Coaching Federation's (ICF) Certification as a Team Coach (ACTC)
- International Coaching Federation (ICF) released Coaching SUPERvision competencies in 2024 and now has SUPERvision in its Core Competency Model
